M E M O R A N D U M

15 November 1950

TO: Executive
FROM: Chief, Medical Staff
SUBJECT: Project E-MS-40-51

1. Reference is made to Project E-MS-40-51.
2. It is recommended that the provisions of the project be extended to include the following categories:
 - a. Examinations for overt personnel not required to appear in Washington for entrance on duty purposes.
 - b. Examinations for covert personnel not required to appear in Washington for entrance on duty purposes.
 - c. ~~Contract agents.~~
3. It is not proposed to enter into contract agreement with physicians for these examinations. Examinations will be accomplished on an individual basis. Security considerations will be the responsibility of the operating office concerned.
4. Additional funds are not required at this time.
